

SEMINÁRIO

27 de Fevereiro de 2009

(Departamento de Matemática, sala Sousa Pinto, 11:30-12:30)

Título: Report on my recent visit to Acoustics Research Institute in Vienna, Austria.

Orador: Evgeny Lakshtanov, Univ. de Aveiro.
(lakshtanov@rambler.ru)

Resumo: Recently I had a short scientific visit to the acoustics research institute in Vienna. My objective was to communicate with mathematicians who work closely with sound engineers in order to pick up some statements of interesting mathematical problems. During this talk I intend to share the results of this experience.
